

SERVING

This is what life in the family looks like:

Arriving early to help cook and set the table. Unloading the dishwasher without asking first. Being called aunt or uncle when you're not related. These are just a few ways you know you're no longer a guest — you're family. Our families are the people who know us intimately. At Home Church, serving together is one way we become no ordinary family. As we serve, we create deeper connections with God and each other. We discover our spiritual gifts, and we partner with God in blessing others.

When you bring your experiences and abilities into the local church, you're like the aunt who brings mac and cheese at Thanksgiving. Without you, the meal just doesn't feel complete. Home Church has serving opportunities for every personality, skill set, season, and schedule. No matter your age and stage of life, you bring something special to our church family. To serve, attend our next Ownership Class to get started.

OWNERSHIP CLASS TAKES PLACE ON THE 1ST SUNDAY OF EACH MONTH DIRECTLY AFTER THE 11:15 SERVICE. LUNCH AND CHILDCARE ARE PROVIDED.
